

Your Fabricator Partner

With you every step of the way.

GLAZERITE
UK Group Limited

WE KNOW YOUR BUSINESS

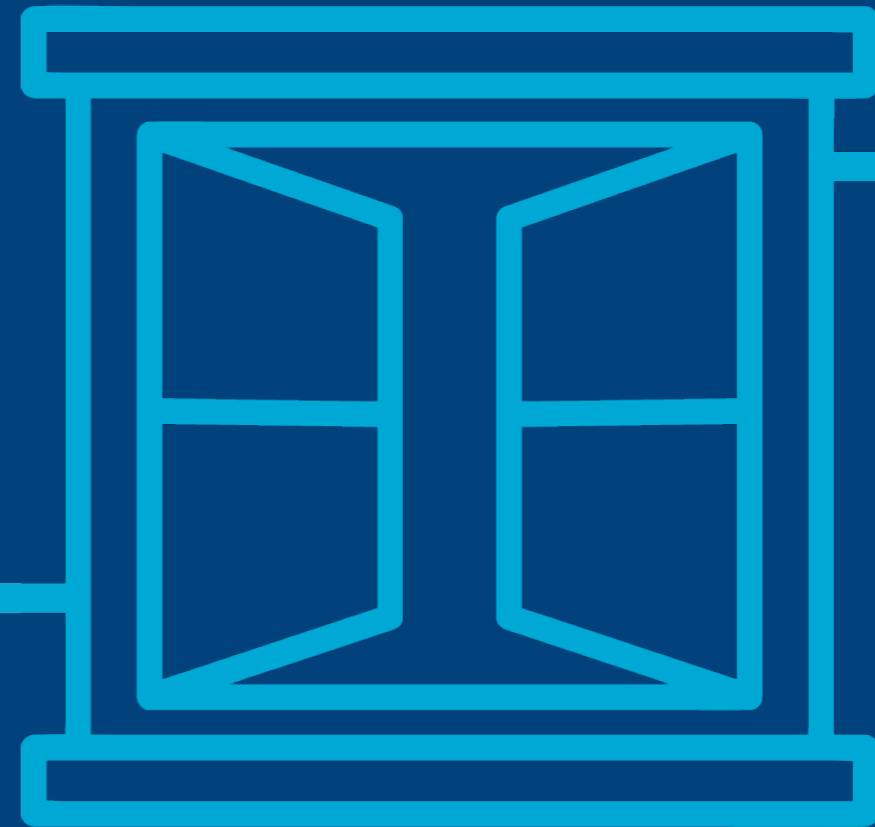

Your customers want a choice of high performing products that balance value, style, and functionality. You need a reliable fabricator that combines a comprehensive portfolio with seamless service.

With more than 20 years in the industry, Glazerite is a leading trade fabricator of windows and doors for commercial and domestic installations. Together, our UK-wide operations - based in Wellingborough, Peterborough, Bolton, Bristol and Barnsley - give us a combined capacity of 4000 frames per week.

Working with premium brands like VEKA, The Residence Collection and DoorCo, we offer one of the broadest ranges of uPVC windows and doors on the market. It's these strong supplier partnerships that enable us to deliver what you need, and what your customers want. We're constantly reviewing our offering too, giving you access to the very latest innovations and trends.

Product specification

Access one of the widest product ranges in the industry. Never lose out through lack of specification.

LEADING BRANDS

With more than two decades of fabrication experience under our belts, the Glazerite range is both comprehensive and high quality. We regularly invest into our people, our machinery and continuous improvement programmes, which means we always manufacture to our best.

It's our business to focus on yours, and we do that by meeting customer demand for everything from heritage styles with our Vertical Sliders and Flush Sash ranges through to stylish hardware and smart technology from the likes of Brisant and Avantis. Through VEKA, Halo and Residence, you'll have access to M70, FS70, Rustique, System 10 and Residence 7 and Residence 9. We complement our window systems with a range of doors, including composite, French, patio and bi-folds. We can even help you meet challenging specifications for non-standard jobs.

We manufacture to BS7412 as standard with optional upgrades to PAS 24 and Secured by Design for the ultimate security specification.

Leading brand suppliers including VEKA, Halo, Residence, Doorco, Avantis, Brisant, ERA, Maco.

Leading Supply Partners
Premium products with enhanced warranties and guarantees to appeal to each and every customer.

BENEFITS THAT SELL

Building lasting partnerships with premium suppliers that you can leverage is an essential part of our offering. Many of these market-leading brands offer a host of guarantees and added benefits, giving you the edge when you are talking to your customers.

With access to our range of products, you are perfectly positioned to supply to every specification. Many of our frames can be custom-built to exacting customer requirements, so you won't need to miss out on the more challenging, non-standard jobs.

To give your customers the best possible choice, all of our products are available with a suite of hardware from the likes of Fab&Fix and Sweet to meet every taste or requirement. Whatever your customers' needs; we can help you to find a solution.

Reliable Nationwide Delivery

With a UK-wide footprint and sites across the country we can support you wherever you are.

PERFECTLY POSITIONED FOR YOUR BUSINESS

Thanks to our UK-wide footprint and regular investment into our fleet, we can support you, wherever you are.

With operations across the UK, we are perfectly positioned to offer a reliable nationwide service wherever you are based.

Our fleet includes fully specced vehicles which are Euro 6 class, for clean air and emission zones. We can deliver into cities with ease.

Our barcode scanning system means our products can be tracked and monitored throughout their lifecycle. This technology allows visibility of your product throughout the journey from order placement to delivery.

Expert Business Support
To grow your business with
targeted marketing expertise
and technical insight.

ALL YOU NEED TO SUPPORT YOUR BUSINESS

In-house resources and personnel can prove costly. As a Glazerite partner, you'll have access to experts across our business who can provide you with help and support in HR, Sales, Marketing, and IT.

Glazerite installers benefit from a marketing team that has all the industry knowledge you need to transform your business. From an initial audit to tailored campaigns, we'll have you up and running with an effective and professional marketing strategy in no time.

Bespoke branded website

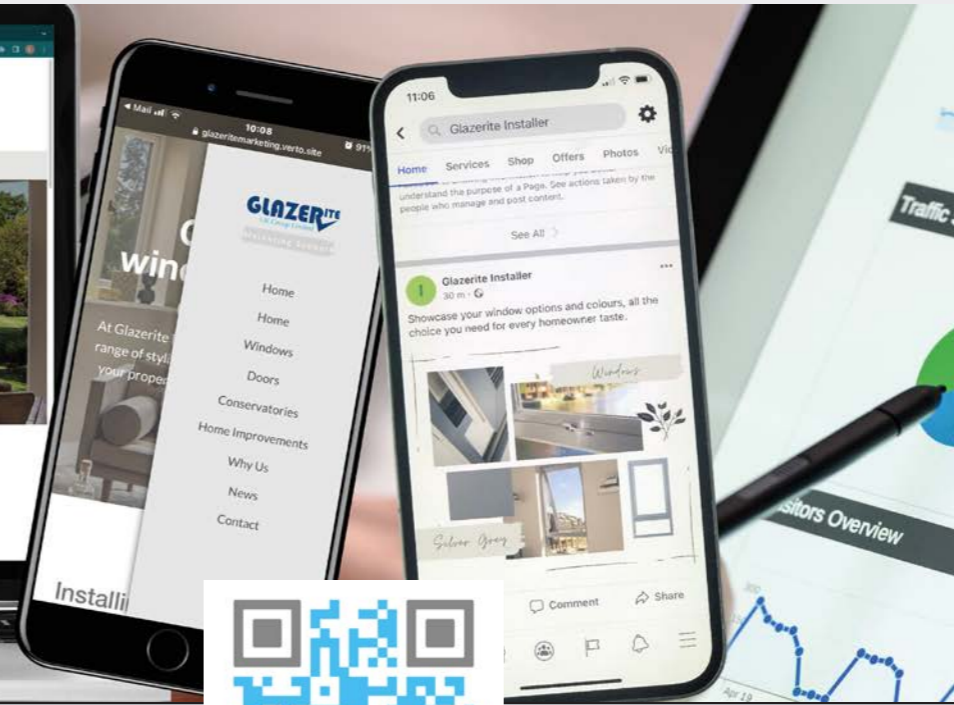

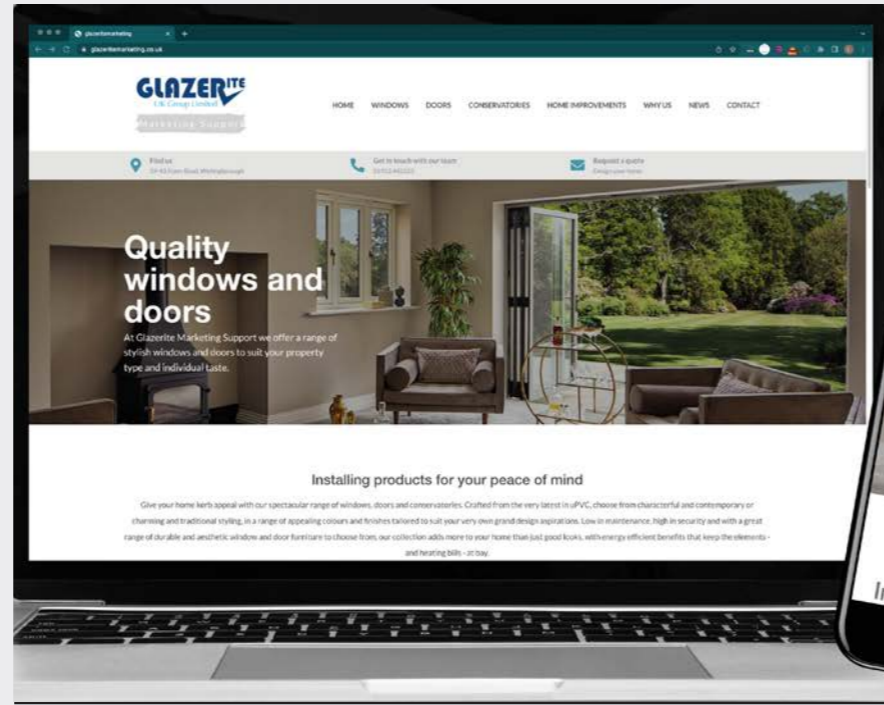

Every business needs an online presence. We can support your digital activity, providing everything from a bespoke SEO-optimised website to the supply of simple and dynamic customer-focused content.

Getting social

If you're not already utilising social media for your business we can show you how and where to start. Already have your own channels? We'll help you enhance your output with access to an array of images and copy.

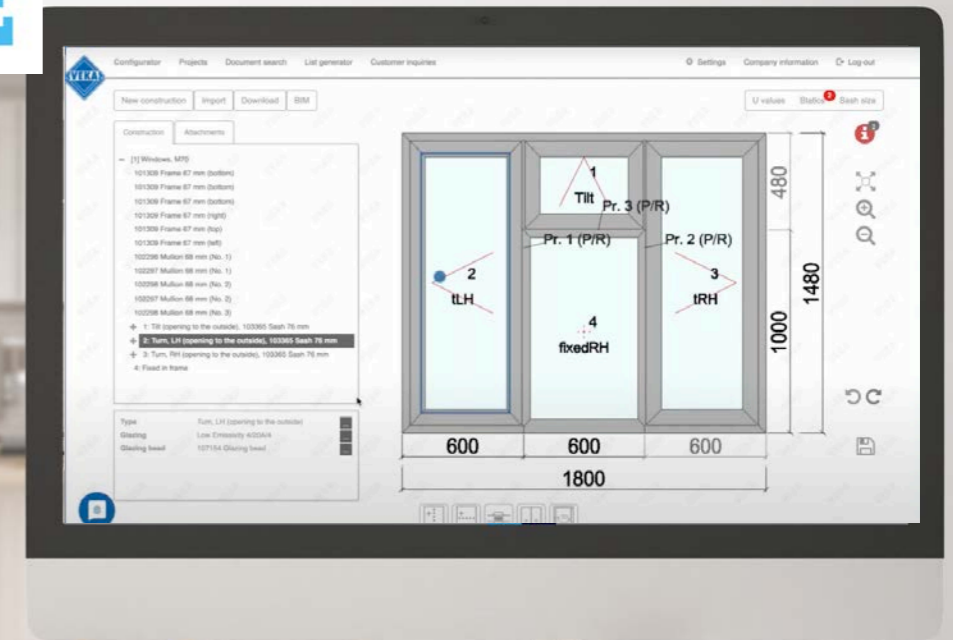

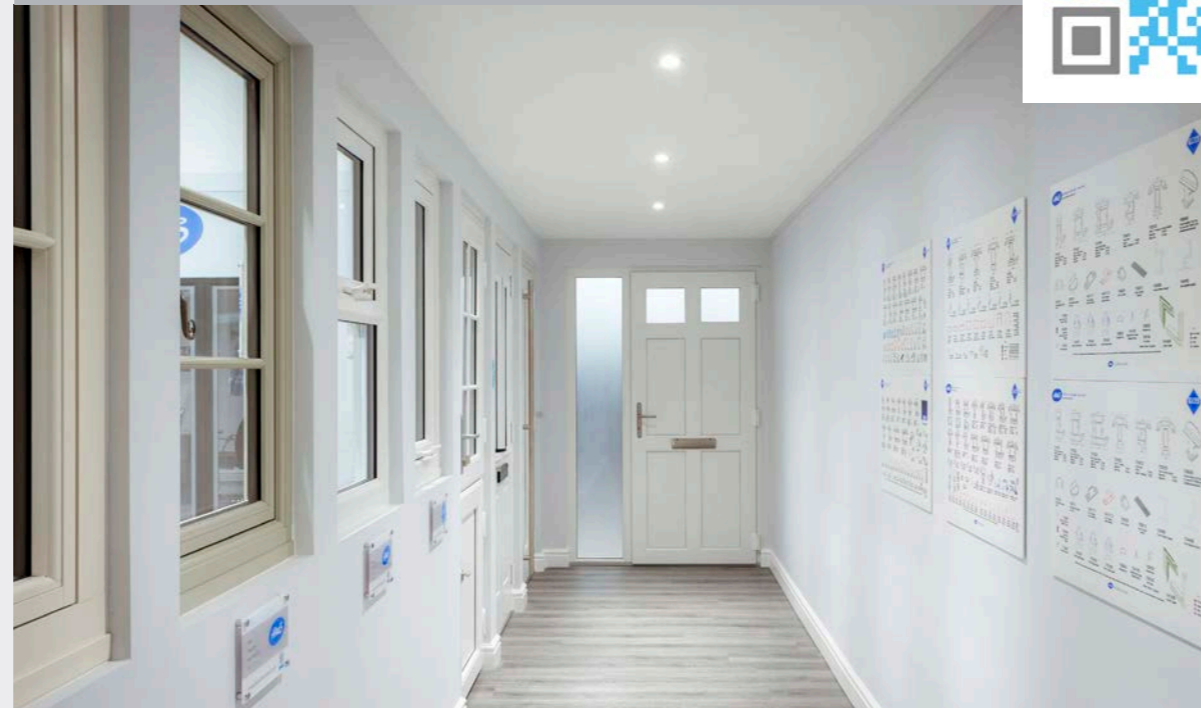

Brochures

Our suite of retail brochures has been designed with the homeowner in mind. Available in print and digital versions, our brochures are neutrally branded and can be used as your own.

A Technical Perspective

In an industry where legislation, standards, and regulations are constantly under review, it's important to get the right information. Our team is always on hand to answer queries and give you the most up to date advice.

If you're faced with a challenging installation, we can help you find an effective solution. From wind load calculations, best practice guidance for application and ensuring your team understands the product scope and its selling benefits, we'll help you to meet the needs of every type of customer.
