WISE ABOUT YOUR BUSINESS

**YOUR CUSTOMERS WANT A
CHOICE OF HIGH PERFORMING
UPVC AND ALUMINIUM PRODUCTS
THAT BALANCE VALUE, STYLE, AND
FUNCTIONALITY.**

You need a reliable fabricator that combines a comprehensive portfolio with expert industry knowledge, end-to-end service and added value solutions for commercial and residential projects.

With more than 25 years in the industry, Glazerite is a leading trade fabricator of windows and doors.

Together, the might of our UK-wide operations, and the expertise of our people combine to deliver what you and your customers want on time, every time. Working with premium brands like VEKA, Halo, Deceuninck and ALUK we offer one of the broadest ranges of windows and doors on the market for every end application, from largescale commercial projects to one-off residential jobs.

We're constantly reviewing our offering too, giving you access to the very latest in window, door, hardware and smart technology brands, innovations and trends.

PRECISION PRODUCTS FOR EVERY SPECIFICATION

**NEVER LOSE OUT ON A JOB
THROUGH LACK OF SPECIFICATION.**

Leverage one of the widest product ranges in the industry and tap into our technical expertise at every step, from tender or enquiry to post-install support.

FLY HIGH WITH LEADING BRANDS

WITH OVER TWO DECADES OF FABRICATION EXPERIENCE, THE GLAZERITE PORTFOLIO IS COMPREHENSIVE, HIGH QUALITY AND TAILORED TO MEET COMMERCIAL AND RESIDENTIAL INSTALLATIONS.

We are continuously improving our operations to maximise our manufacturing performance, regularly investing in our people and our machinery so we can help you stay one step ahead of your competitors.

It's our business to focus on yours, and we achieve that by meeting customer demand for everything from heritage styles with our Vertical Sliders and Flush Sash ranges through to stylish hardware and smart technology from the likes of Ultion and Kubu.

You'll have access to a fantastic range of system including VEKA M70 & FS70, Halo Rustique and System 10, Deceuninck 2500 and 2800, ALUK

casements, tilt and turn, patio and bifold in addition to the Doorco composite door and imagine french and patio doors.

We can even help you meet challenging specifications for non-standard jobs while our commercial insight and technical expertise from the tender stage through to the installation ensures commercial projects are delivered on time and in scope.

We manufacture to BS7412 as standard with optional upgrades to PAS 24 and Secured Design for the ultimate security specification.
