Cortizo Aluminium Patio Doors

With Cortizo sliding doors, fabricated by Glazerite, you have access to a premium product that's easy to sell and fit.

With ultra-slim 35mm sightlines, large sash sizes, and a triple-track option, they deliver the expansive views and seamless indoor-outdoor living homeowners and developers are looking for.

Their advanced thermal performance (U-values as low as 1.2 W/m²K) and an acoustic reduction of up to 40 dB means they meet stringent regulations whilst adding comfort and value to any property. Cortizo doors provide you with a high-quality, future-proof solution that sets you apart in the market.

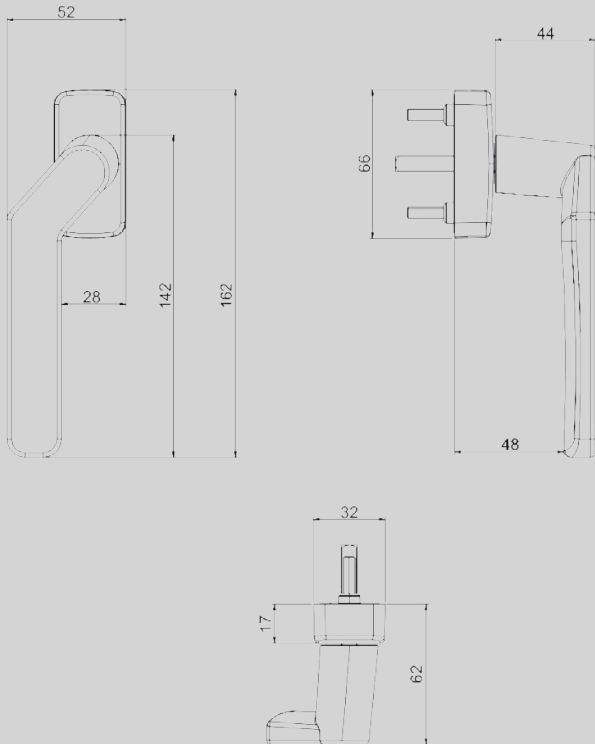

Hardware

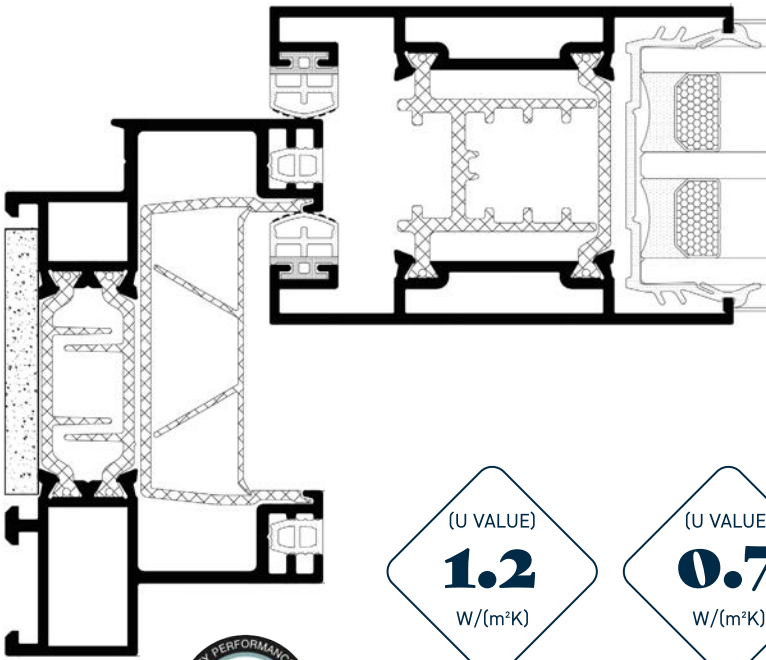

The Cortizo Patio handle is specifically designed for sliding doors and windows.

With a small escutcheon it allows for openings in both directions - left and right. Complete with hidden screws and a 7mm spindle.

Colour options: Black, White or powder coating options Stainless Steel, Light Silver, Dark Silver.
