LIGHT UP YOUR LIVING SPACE

Whether you're looking to transform the front of your home, or the gateway to your garden, we have the door for you. A sophisticated set of French doors for elegant charm, or a classic sliding patio door for an effortless exit, the Lifestyle Range features stylish, secure and long-lasting doors that will make an ordinary outlook extraordinary.

Crafted from the very latest in uPVC, every door in the range is low in maintenance, high in security and exceptionally aesthetic, enhancing your home with natural light and manmade beauty. When it comes to keeping the warmth in and the cold at bay, they're also energy efficient and durable, whatever the British weather has in store.

This refined collection of high quality doors will add a distinctive touch to your home, whether you're looking for colourful character, or a more traditional feel. Whichever style you choose, you're guaranteed a door that works perfectly for your home, family and lifestyle.

Curvaceous, CONTEMPORARY & ELEGANT

CHOOSE THE FRAME THAT'S RIGHT FOR YOU

The Lifestyle Range of doors are available in a choice of bevelled, sculptured or flush options.

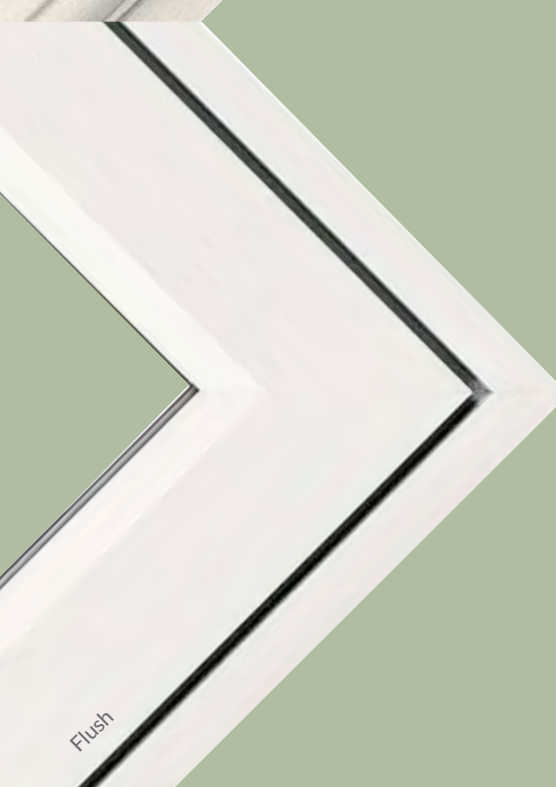

Bevelled frames offer a more contemporary look with angular, clean lines while the sculptured frame option is softer, rounded and more ornate. A flush frame offers a sleek look and can be the perfect addition to a traditional or contemporary house.

Aluminium Bi-Fold, Patio and French door options can offer modern elegance to any home. All frames offer different aesthetics but the same superb security features, energy efficiency and range of finishes and colours.

ENJOY THE BENEFITS...

Our Lifestyle Range offers the perfect balance of aesthetically pleasing doors with the modern benefits you'd expect from uPVC. Designed to keep you safe and warm, you can find your perfect finish thanks to the range of colours available.

Virtually-maintenance free, our doors don't require time-consuming sanding or painting, which means you can spend more time doing the things you love.

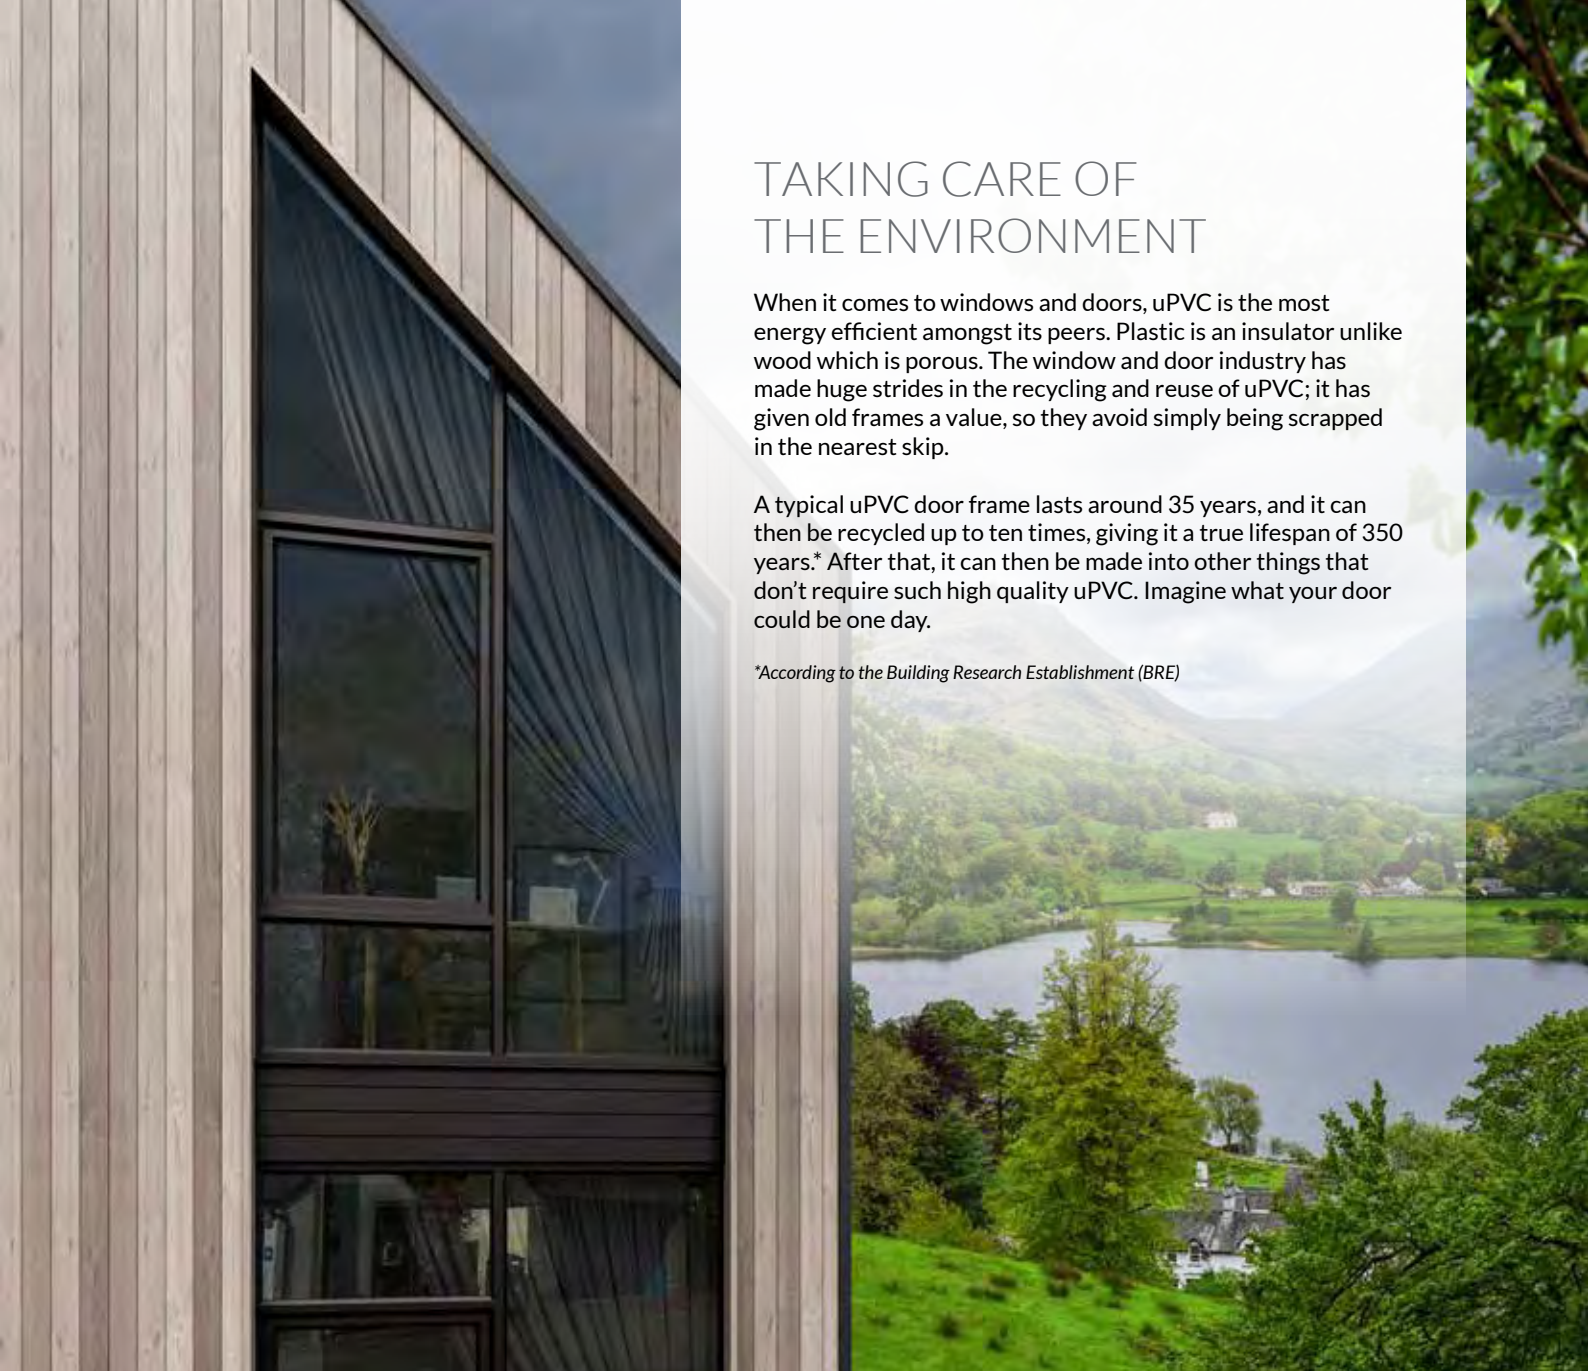

The multi-chambered construction of our doors gives added strength and improved thermal efficiency.

Fully-integrated, slimline weather sealing maximises glazed area while eliminating draughts for a warmer home.

For enhanced security and peace of mind manufactured to PAS24 with an optional upgrade to Secured by Design*

TAKING CARE OF THE ENVIRONMENT

When it comes to windows and doors, uPVC is the most energy efficient amongst its peers. Plastic is an insulator unlike wood which is porous. The window and door industry has made huge strides in the recycling and reuse of uPVC; it has given old frames a value, so they avoid simply being scrapped in the nearest skip.

A typical uPVC door frame lasts around 35 years, and it can then be recycled up to ten times, giving it a true lifespan of 350 years.* After that, it can then be made into other things that don't require such high quality uPVC. Imagine what your door could be one day.

GLAZING OPTIONS

MAKING YOUR HOME
energy efficient

The Lifestyle Range of doors is available in a choice of glazing options and glass types, including decorative, textured and privacy options.

All of our doors are designed to keep you warm, and can be designed to achieve a DER A rating with a double glazed unit and standard outer frame. Products are assessed under an energy rating scheme that grades them from A++ to E. This rating considers the entire product - including both the frame and the glass - measuring heat loss, draught prevention, and solar gain to give a clear indication of how the window or door will perform once installed in your home.

Did you know?
The option to specify triple glazed units offers you even greater energy efficiency and can help save you money on your heating bills.

INTEGRAL BLINDS

A modern and contemporary product that can be used in both windows and doors, with no hassle or fuss. Enjoy sleek style, privacy and easy cleaning with blinds built into the glass - no dusting, no tangles, just beautiful control of light and shade.

With smooth, cordless operation and a sleek finish that complements any interior, they're a perfect fit for busy households, open-plan extensions, and modern bifold doors. Choose from a range of colours to match your windows and enjoy peace of mind with a child-safe, low-maintenance shading solution.

HARDWARE AND FURNITURE

SAFE AS HOUSES

Rest assured that every style of door in the Lifestyle Range is as secure as it is aesthetic, with the entire range fitted with the coveted Ultion Cylinder as standard, and integrated hardware and components carefully designed to keep intruders out.

Rigorously tested, Ultion is the most secure cylinder available. In the event of forced entry, Ultion goes into 'lockdown' mode, activating an integral hidden lock to keep your home safe.

Our patio doors include a cutting-edge, multi-point locking system, and can achieve both PAS 24: 2022 and Secured By Design with an optional upgrade.

COMPLETE PEACE OF MIND

Choosing the right doors can improve your home in a number of ways including the look and how you use the space. Our doors are equipped with leading security and lock mechanisms to give you peace of mind that your belongings and loved ones are safe at home.

The Ultion ALPS 3 Star cylinder is fitted on our doors as standard. This gives you additional peace of mind as it is covered by the Ultion £5000 guarantee, payable in the unlikely event entry is gained by an intruder snapping the lock.

You must ensure your lock is registered to take advantage of this benefit.
